

SNUBBER TWIST

PROTECTS YOUR BOAT

Snubber TWIST is a mooring compensator that connects to your docking line easily and absorbs the shocks. Fits 2000 – 6000 kg boats.

Blue Snubber TWIST
GTIN 6430078580014

Packaging concept

Snubber TWIST is a patented mooring compensator that absorbs the mooring line's shocks and reduces the stress on your boat and the dock. Snubber products are made from carefully selected, high-quality materials and are made to last severe weather conditions. The products will not lose color or leave marks on your boat. All Snubber products are designed and made in Finland.

- Designed for 2000 – 6000 kg or 4400 – 13200 lb boats
- Measurements 542 x 55 x 54 mm, weight 375g
- Fits different line types and diameters, including ties
- Can be used for the anchor line
- Can be attached while the line is tied on both ends
- Colours: moon silver gray, navy blue, buoy red, cumulus white, or tar-black
