NEW! Jabsco® Washdown Pump Kit

Kit Includes:

Jabsco continues to lead the pump industry with innovation. This 4.0 GPM (15 LPM) washdown pump provides the boater of small to medium vessels with a cost conscious and size maximized higher pressure pump. With a sealed pump head and motor, this new model provides the same ease of installation as all Jabsco water pressure pumps. Included with each pump is a strainer, nozzle, and fittings for most installations.
