

# QUATIX® 8 SERIES

PREMIUM MARINE GPS WATCHES

## PRODUCT OVERVIEW

Plot your paradise on and off the water with the quatix 8 smartwatches. These high-performance smartwatches are designed for your marine lifestyle and feature stunning AMOLED displays with scratch-resistant sapphire lenses and titanium bezels. With leakproof buttons and an added sensor guard, the quatix 8 is water-rated to 100 meters and dive-capable up to 40 meters. This is the toughest quatix we have ever built. Garmin chartplotter voice commands are built in and allow you to keep your focus on the water while controlling chartplotter functions. The quatix 8 can also serve as a remote for autopilots, chartplotters, Fusion® stereos and trolling motors. Pair with your compatible smartphone for on-wrist calling with the built-in speaker and mic. Plus, there's a powerful built-in LED flashlight providing bright illumination when needed for after-dark visibility. Additional features include music storage, Garmin Pay™ contactless payments<sup>1</sup>, smart notifications<sup>2</sup> and more. Enjoy preloaded TopoActive maps to keep your land-based explorations on track. Navigate from your wrist with optional BlueChart® g3 charts. Gain superior positioning accuracy offshore and nearshore while optimising battery life, thanks to multi-band GPS with SatIQ™ technology.

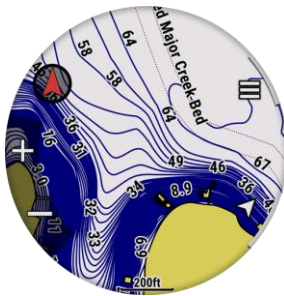

# QUATIX® 8 SERIES

PREMIUM MARINE GPS WATCHES

## KEY FEATURES

### MARINIZED DESIGNS

Built for life at the helm, this premium design is dive-rated and features leakproof buttons, a metal sensor guard and bright 1.4-inch AMOLED display with a scratch-resistant lens and durable titanium bezel.

### COMPREHENSIVE HELM CONTROL

Use the built-in speaker and mic on your quatix 8 to control your compatible chartplotter with voice commands via BLUETOOTH® technology. Enjoy remote control capabilities with select compatible Garmin chartplotters, autopilots, Force® trolling motors, Fusion® stereos and more.

### BUILT-IN SPEAKER AND MICROPHONE

Make and take phone calls from your watch when it's paired to your smartphone. Plus, control watch functions with off-grid voice commands — or use your smartphone's voice assistant to respond to text messages and more.

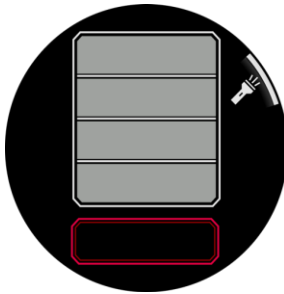

### DEDICATED MARINE FEATURES

Boating and sailing apps provide data to track your time on the water. Stay aware and get alarms for imminent tide changes or anchor drag. Take the podium with sail-specific features such as tack assist, race start guidance and regatta timer.

### BUILT-IN LED FLASHLIGHT

A true integrated flashlight with variable light intensities and a red safety light can give you greater awareness at sea or at home, providing convenient illumination when you need it.

### KNOWLEDGE IS POWER

Begin each day with a customisable morning report offering a summary of health and wellness information. Use the [training readiness](#) feature — which looks at a variety of health metrics — to help maximize your training efficiency and recovery<sup>3</sup> to help prevent burnout.

PREMIUM MARINE GPS WATCHES

## KEY FEATURES CONTINUED

<b>RECREATIONAL DIVING</b> <small>NEW</small>	A 40-meter dive rating and leakproof metal buttons let you reach new depths with support for scuba and apnea dive activities.
<b>AMOLED DISPLAY</b>	quatix 8 comes with a bright AMOLED display to make detailed information and mapping easy to read at a glance, while still providing great battery life with up to 29 days in smartwatch mode on the 51 mm model.
<b>MULTI-BAND GPS + SATIQ™ TECHNOLOGY</b>	Navigate the outdoors with superior positioning accuracy, thanks to multi-band GPS with SatIQ technology, plus an altimeter, a barometer and a 3-axis electronic compass.
<b>FISH FORECAST</b>	Using a celestial database to track sun and moon rise/set times, relative position to your location and more, this app offers suggestions for the best days and times for fishing success.
<b>ANCHOR DRAG ALARM</b>	The preloaded anchor drag app lets you customise your drift radius and now includes a mapping screen for visual reference.
<b>TIDE DATA</b>	Integrated tide data is now easier to view on the watch face using glances.
<b>GARMIN SAILASSIST™ FEATURES</b>	When it comes to sailing, don't just time your start — visualize it. Create a virtual starting line to time the perfect start. Also, use tack assist to see whether you are headed or lifted.
<b>MARINE FOCUSED</b>	Expanded marine apps now include wakesports and sail expedition in addition to familiar boating, sailing, and fishing activities.
<b>CHARTS AND MAPS</b>	This smartwatch comes with TopoActive maps with relief shading and supports optional BlueChart® g3 coastal charts.
<b>SURF-READY FEATURES</b>	This quatix smartwatch works with the <a href="#">Surfline Sessions™</a> technology, which creates a video of every wave you ride in front of a Surfline® camera <sup>4</sup> . With your Surfline Sessions subscription, watch them later to see how you did.
<b>TRAIN TO PERFORM</b>	Begin each day with a customisable morning report offering a summary of health and wellness information. Use the <a href="#">training readiness</a> feature, which looks at a variety of health metrics, to maximize your training efficiency and recovery <sup>3</sup> — to help prevent burnout.
<b>24/7 HEALTH AND WELLNESS</b>	This feature includes 24/7 health and wellness monitoring with wrist-based heart rate, advanced sleep monitoring, respiration tracking <sup>3</sup> , Pulse Ox <sup>5</sup> and more.
<b>ADVANCED STRENGTH TRAINING</b>	Elevate your body's performance and prevent injury with targeted strength <a href="#">training plans</a> , plus sport-specific workouts for many activity types and athletic levels.
<b>ECG APP</b>	The <a href="#">ECG app</a> can record your heart rhythm and check for signs of atrial fibrillation <sup>6</sup> .
<b>STAY CONNECTED</b>	Enjoy everyday wearability, and live connected with smart notifications <sup>2</sup> , music storage, Garmin Pay™ contactless payments <sup>1</sup> and more.
<b>MUSIC</b>	Download songs and playlists from your Spotify, Deezer or Amazon Music accounts for phone-free listening (subscription may be required).
<b>GARMIN SHARE</b>	Use this feature to easily share saved locations, courses and workouts with friends' compatible Garmin devices.
<b>GARMIN PAY™ CONTACTLESS PAYMENTS</b>	Breeze through checkout lines or transit systems with <a href="#">participating providers</a> .
<b>CONNECT IQ™ STORE</b>	<a href="#">Add watch faces, data fields and apps</a> to your paired watch.
<b>INREACH® DEVICE COMPATIBLE</b>	When paired with your compatible inReach satellite communicator <sup>7</sup> , communicate via two-way messaging <sup>8</sup> and even trigger an SOS from your wrist if needed.

## COMPATIBLE APPS

### GARMIN CONNECT™ APP

On mobile or web, Garmin Connect is the tool for tracking, analysing, and sharing health and fitness activities recorded by your paired Garmin device.

### CONNECT IQ™ STORE APP

The Connect IQ Store smartphone app is your all-in-one source for personalizing compatible Garmin devices with downloads of apps, widgets, watch faces, data fields, music streaming services and more.

### GARMIN EXPLORE™ APP

This all-in-one app is made for off-grid adventurers and outdoor enthusiasts alike. Download to your compatible smartphone so you can plan, navigate and review your next great adventure.

### GARMIN GOLF™ APP

Download the Garmin Golf app to your compatible smartphone and give every round a tournament feel by competing with fellow golfers on more than 43,000 courses around the world.

### GARMIN DIVE™ APP

Download the app to your compatible smartphone or tablet to log and share your dives and find new dive sites.

### GARMIN MESSENGER™ APP

Download the Garmin Messenger app to your compatible smartphone, then pair with your compatible inReach® device for fast, easy messaging<sup>7</sup> that's not limited to cellphone coverage areas<sup>8</sup>, or pair to your quatix 8 series device for two-way messaging right from the watch.
